

**UNION POWER COOPERATIVE
MONROE, NORTH CAROLINA**

**SCHEDULE SLS
Security Light Service**

AVAILABILITY

This schedule is available in all territories served by the Cooperative, subject to the established Service Rules and Regulations of the Cooperative.

APPLICABILITY

This schedule is applicable to any member of the Cooperative contracting for dusk to dawn security lighting service.

MONTHLY RATE

Dusk to dawn outdoor lighting service using overhead conductors and one of the Cooperative's standard pendant style luminaires mounted with a bracket on a new 30 or 35-foot wood poles or an existing wood pole:

<u>Lamp Rating</u>			<u>Per Luminaire</u>	
<u>Wattage</u>	<u>Lumens</u>	<u>kWh/Mo.</u>	<u>Type of Luminaire</u>	<u>Per Month</u>
100	9,500	46	High Pressure Sodium	\$ 8.30
175	7,500	70	Mercury Vapor	\$ 8.65

Additional Charges (per month):

40-foot, class 4 wood pole, in place of a standard 30 or 35-foot pole	\$ 2.70
Additional 30-foot, class 6 wood pole with span of secondary	\$ 4.20
Additional 35-foot, class 4 wood pole with span of secondary	\$ 6.35
Additional 40-foot, class 4 wood pole with span of secondary	\$ 6.90
Each span of overhead secondary between existing poles	\$ 1.00
Underground service from overhead system (per 100 ft)	\$ 1.80
Underground service from underground system (per 100 ft)	\$ 1.00

Decorative Lighting Packages Installed After to April 1, 2009

Dusk to dawn outdoor lighting service using one of the Cooperative's standard decorative lighting packages will be provided at a monthly rate of \$10.00 per luminaire, plus an upfront contribution-in-aid of construction equal to the net present value difference between the revenue streams of the decorative fixture installed and the Cooperative's base fixture. Consumers requesting nonstandard decorative lighting packages will be responsible for installing, owning, and maintaining the lighting system. Nonstandard lighting systems will be served by the Cooperative at one location through a standard metered service.

MONROE, NORTH CAROLINA**

SCHEDULE SLS - continued

Decorative Lighting Packages Installed Prior to April 1, 2009

Decorative and/or non-standard poles and luminaires not listed above can be installed, at the Cooperative's option, at the monthly rate shown above for the equivalent wattage and light source plus either a Contribution in Aid of Construction or an extra monthly charge of 2.0% of the difference between the estimated installed cost of the luminaire(s) and structure requested and the estimated installed cost of the equivalent wattage and light source luminaire(s) and wood pole shown above.

When the installation of underground conductors requires more than normal trenching (i.e. pavement cutting and replacement, rock digging, or duct system) the member shall have the option of paying a Contribution in Aid of Construction or an extra monthly charge of 2.0% of the difference between the estimated extraordinary installation costs and the estimated installation cost for normal trenching.

When two or more luminaires are mounted on the same pole or other structure, the monthly rate shall be that above plus any extra applicable charges shown above less the additional pole charge shown above for each luminaire in excess of one mounted on the pole or structure.

CONDITIONS OF SERVICE

1. Luminaires will only be installed on Cooperative owned poles or structures. All facilities necessary for service under this Schedule, including fixtures, lamps, controls, poles, structures, hardware, conductors, and other appurtenances shall be owned and maintained by the Cooperative.
2. All maintenance, including lamp replacement, will be performed during regular business hours, as soon as possible, following notification by the member.
3. The member shall protect and be responsible for all deliberate or careless damage to the Cooperative's lighting equipment. The Cooperative reserves the right to remove the luminaire and all property in connection therewith, if such damages occur.
4. The member shall allow authorized representatives of the Cooperative to enter upon the member's property for required maintenance; to trim and cut trees and shrubbery as necessary for maintenance of the lighting equipment; and to remove lighting equipment upon termination of service under this Schedule.
5. Member shall be responsible for all costs to have the light relocated.

TERM

The initial term for service under this Schedule shall be a minimum of three (3) years. Decorative and/or non-standard lights and poles may require longer term contracts. After the original term service may be terminated with 90-day notice. Members terminating service prior to end of the original term shall be responsible for the Cooperative's costs to remove the facilities associated with service under this Schedule.

MONROE, NORTH CAROLINA**

SCHEDULE SLS - continued

WHOLESALE POWER COST ADJUSTMENT

The approved Wholesale Power Cost Adjustment applicable to retail service will be applied to all service supplied under this schedule.

RENEWABLE ENERGY PORTFOLIO STANDARD (REPS) ADJUSTMENT

The consumer's monthly bill shall also include a REPS adjustment based upon the revenue classification of the account. The revenue classifications and monthly charges are shown in the Cooperative's Rider REPS.

ENERGY EFFICIENCY RIDER

The Energy Efficiency Rider is also applicable to this rate schedule. The current Energy Efficiency Rider charge applicable to this schedule must be added to the cents per kWh above to determine the monthly energy charges.

TAXES

Any applicable State and Local Sales Taxes will be added to all service billed under this schedule.

TERMS OF PAYMENT

The above rates are net. Bills are due and payable within 25 days of the billing date shown on the bill. In the event the current monthly bill is not paid within 25 days of the billing date, it shall be considered delinquent, and service will be suspended in accordance with the Service Rules and Regulations.
