

Get away with big savings.

Invest in a high
efficiency electric heat pump.

Save over
\$1,500 a year.

That's enough for a nice family vacation.

Electricity
A Great Value

Play it Safe - Ask for ID

Union Power employees and members of our contracted crews wear uniforms and gladly provide their names and employee identification cards upon request.

If you have a question about crews working in your area, you may call our customer service department at 704-289-3145 or 704-485-3335. Play it safe - always call authorities if visitors can't or won't produce ID when asked!

If you are uncertain that a visitor or caller is from Union Power, take these steps:

- Don't provide personal or banking information
- Ask for name and company identification
- Ask any caller to verify your account #
- Look for Union Power uniforms and trucks
- If still in doubt, call the Co-op and/or authorities
