

Are You Protected?

Electrical Services

- *New Construction*
- *Repair*
- *Surge Protection*
- *Additions*

In the South lightning storms are common, but damage to your appliances and electronics does not have to be. Union Services can install a variety of surge protection systems to protect your home. We also can handle any electrical issue you have from adding a ceiling fan to wiring your whole house. Give us a call at (704) 283-9047 and let us serve you.
